NON-CERTIFIED POLICE OFFICERS

The next testing date is TBD.
All qualifying applicants will be given test information upon application completion and prior to the
testing date.

Training
Recruits are required to attend a 13-week Basic Police Training Course at the Arkansas Law Enforcement Training Academy.
The academy training includes topics such as: Accident investigation, Criminal law, defensive tactics, drug enforcement, firearms training and report writing.
While at the academy, recruits are paid a
full salary of a first-year officer. Upon graduation from the academy, the new officers begin a 13-week field training program. This program is designed to give them on the job training with an experience police officer and allow them to work on various patrol shifts. After completing the field training program, new officers are assigned to a patrol shift and evaluated throughout their 12 month probationary period.
