

FARMER'S MARKET

We will be starting a Farmer's Market in the park at
Centerton City Hall Park

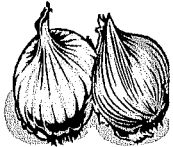

Every Friday and Saturday

Starting Friday, April 17, 2009 thru Saturday October 31, 2009

Open at 7:00 a.m. and will close at 1:00 p.m.

The charge is \$10.00 for each Friday and Saturday and there are 36 spaces available. The allotted spaces are 10x15 for you to display your wares. If there is a huge response we will find a second place for the market to expand.

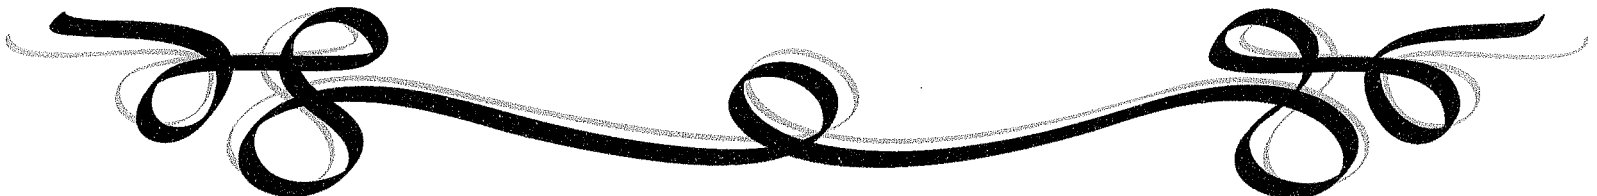

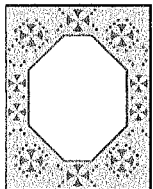

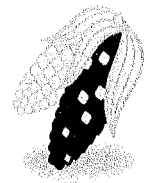

We would like to have all area growers participate in our Farmer's Market and welcome hand made crafts. Vendors are not permitted to bring in food or baked goods unless they have prior approval and a permit from the Benton County Health Dept (479-271-1055).

No vehicles are allowed in the park. There will be no electricity provided, so please plan accordingly (generators are not allowed.) Please bring your own tables or whatever you need to display your wares.

Please stop by Centerton City Hall between the hours of 8:00 A.M. and 5:00 P.M. to fill out an application.

The market will not be held on the weekend of July 17th and 18th as it is reserved for Bemco's Annual Picnic or July 24 and 25th as it is reserved for Centerton Day Festivities.

Let's all get together for a good time in the park, buying locally and enjoying your neighbors.
