

Curbside Solid Waste Collection Program

Roll Off Service, Inc. is the solid waste and recycling collection company for Centerton. Collection day will be on a Monday, Tuesday, or Wednesday, depending upon where you live. Please reference the enclosed map to determine which day your collection will occur. Please call Roll Off Service, Inc. direct at 479-872-9098 if you have any questions..

Roll Off also provides once per week curbside recycling and yard waste collection, should you add these services (available at an additional fee), on the same day as your garbage collection. Bulky waste, recycling and yard waste are described below in greater detail.

Garbage

- You must have your trash set curbside by 7:00 A.M. on the morning of your scheduled collection day. Cost for garbage pick up is \$9.77 per month, billed quarterly.
- Only material generated by you, the resident will be collected. Material generated by contractors, such as construction and demolition debris (dry wall, shingles, lumber, bathroom fixtures, etc.) must be disposed of by you or your contractor as these materials will not be acceptable under this collection program.
- **Do not** place the following materials curbside:
 - Automotive fluids of any kind
 - Batteries
 - Engine Parts
 - Pesticides, herbicides or insecticides
 - Fluorescent bulbs
 - Tires
 - Other hazardous waste

Please contact Benton County HHW Collection Centers at 621-9707 or 524-8512 for instructions on how to dispose of these materials.

Recycling

- Recycling will be collected on the same day as your scheduled trash collection. This service is optional and you must call Roll Off Service, Inc. to sign up for this curbside program. This service is an additional \$1.60 per month and an 18 gallon recycling bin will be provided after adding this service. The recycling bin will remain the property of Roll Off Service, Inc.
- Acceptable materials are as follows:
 - Newspapers
 - Old corrugated cardboard flattened
 - Aluminum cans
 - Steel cans
 - Magazines
 - Phone books
 - Chipboard (Cereal boxes)
 - Books
 - Plastic bottles, type 1 and 2

Glass is not recycled at this time. Place all glass in with your trash.

Yard Waste

The City of Centerton encourages its residents to manage their yard waste using on site techniques such as backyard composting and mulching mowers. However if you wish to have Roll Off Service, Inc. remove your yard waste, green plastic bags can be purchased at City Hall for \$.50 each at a minimum of five bags. Collection of these bags will occur on the same day as your solid waste. **Yard waste collection will begin April 1st and run through the end of December of each year.**

Bulky Waste

Bulky waste is defined as common household appliances which have CFC's removed, furniture, mattresses, large toys, and Christmas trees. Items excluded are hazardous waste materials and construction and demolition debris.

Yellow Bag Program: Additionally a yellow bag program will be offered. This program is designed for a low volume generator and/or a senior citizen. These bags are pre purchased and the price of the bag includes the collection and disposal of the trash, just set the yellow bags curbside on your collection day. This program will also entitle a resident to participate in the curbside recycling program as well as the bulky waste program.

Yellow Bag Program

Price per Bag

\$1.15
