

## **Community Visioning Workshop**

Monday, June 24, 2019 | 6:30 p.m. - 8:00 p.m.  
Centerton City Hall – 290 N Main Street

*What is Your Vision for the City of Centerton?*

### **COMMUNITY VISION, GOALS, & PRELIMINARY POLICIES**

The purpose of this workshop is to establish an overall vision for the future of the City of Centerton that can provide focus and direction for subsequent planning activities and serve as the cornerstone of the consensus-building process. Based on this vision, we will develop preliminary goals and preliminary policies.

The workshop will involve members of the Project Team, City staff, members of the CPSC, elected and appointed officials, residents, and all interested members of the community. The session will include both large group and small group working sessions to review and discuss conditions and potentials within the City. The large group will work together to identify issues and opportunities, and the smaller breakout groups will work together to develop visions for the future of the community.

### **VISION STATEMENT**

Following the visioning workshop, we will summarize the results of the group activities and discussions and prepare a preliminary vision statement for the City of Centerton. The preliminary vision statement will be based on the community visioning workshop, feedback from community outreach activities, and observations garnered from the existing conditions analysis.

### **GOALS, OBJECTIVES & PRELIMINARY POLICIES MEMO**

Based on previous steps in the planning process, we will develop the visionary goals and objectives to provide more specific focus and direction for planning recommendations.

**All Citizens are Welcome and Encouraged to Participate**
